RECORDING:

Applicants will be selected on the basis of their paper application and a recording of their singing and playing. Recordings are preferred in CD or .mp3 format though are also accepted on cassette. The recording should comprise three songs for voice and piano performed by you in the original language (arias and orchestral songs, unless arranged by the composer and intended for performance with piano, are not acceptable). Candidates will be judged as song performers: sensitivity to text and communication, from singers and pianists alike, will be as important as technical accomplishment. We regret that we are not able to return the recordings that you send us.

Please list the three songs on your recording:
